

WOMEN FOR WOMEN INTERNATIONAL

VOTE BY SEPTEMBER 29

... and help us to win part of \$2.5 million dollars

What is Our Members Project?

Help Women and Children Survivors of War

With your help and votes, we were able to join the elite Top 25 finalists of the Members Project. In the American Express Members Project, individuals and communities rally to submit and support projects to make a positive change in the world. American Express funds the winning projects with \$2.5 million dollars.

Now we need your support to advance our project to the Top 5 – giving us a chance to win part of the \$2.5 million dollars and help women and children survivors of war rebuild.

IF WE WIN....

If we get ranked among the top 5 we will provide the opportunity for women in countries like the DR Congo, Iraq, Afghanistan and Sudan among others to sustain an income long after they have completed our program. These are extremely vulnerable populations who may be widows, refugees, victims of rape and torture and at the same time the sole source of support for their families. But perhaps most importantly, these women are already the ones who have been rebuilding after war..time and time again.

We invest in women because they use the financial aid and their new income to provide education for their children, health services and basic necessities for their families like rebuilding their homes.

Our proven model of job skills training coupled with rights awareness training ensures women have skills that range from tailoring, to carpentry to animal husbandry as well as the confidence and small business training to learn how to take their products to market.

Our centers provide a classroom setting and safe haven for women to connect with one another, to learn and to form co-operatives to start small businesses.

With the Members Project Support we can impact the lives of tens of thousands of women. We can extend our programs and recruit supporters so that women in war-torn regions can get jobs, send their children to school and rebuild their communities.

With your support, we can make a difference one woman at a time.
