Women for Women International provides women with direct aid, rights awareness, leadership education, vocational skills and business training to help them become active participants in rebuilding their communities. Since 1993, Women for Women International has directly assisted more than 93,000 women and has distributed nearly \$32 million in direct aid and microcredit loans. It currently operates in Afghanistan, Bosnia and Herzegovina, Colombia, Democratic Republic of the Congo, Iraq, Kosovo, Nigeria, Rwanda and Sudan.
